"Absolutely brilliant, a great advocate and a tenacious fighter."
(Legal 500)

It is with great sadness that we have to announce that David Sears QC, the Deputy Head of Chambers, died suddenly on Sunday 24th January.

His untimely death represents an enormous loss to Chambers.

David was a very talented and popular barrister who generously devoted a lot of time and effort to the administration and well-being of Chambers.

He was an excellent and conscientious Deputy Head who cared deeply about Chambers, its members and staff.

We shall greatly miss his good humour, friendship and support.
