hunter@crownofficechambers.com

Winston is recognised by the Directories as a top ranked performer in a number of specialist areas.

Winston lectures widely to clients and fellow professionals on a wide number of topics. He is regularly invited to Chair and deliver lectures to professional bodies. He is a regular contributor to the Byrom Street Evening Lecture Programme.

Clinical Negligence

Winston has a significant caseload in the area of clinical negligence. His practice covers all areas of medical mal practice. He has particular expertise in claims involving wrongful birth and failure of diagnosis and treatment in Accident and Emergency Medicine, and the complexities of quantification arising from claims for loss of a chance of a better outcome.

Insurance & Reinsurance

Winston is regularly instructed in claims arising out of repudiation of policies for alleged non disclosure and issues relating to the construction of insurance contracts. Particular expertise exists in claims relating to motor vehicle insurance

Personal Injury

Winston is routinely instructed by both claimants and defendants in cases of maximum severity. In the recent past he has been instructed in some of the highest values claims with several of his recent or current instructions involving damages awarded or claimed in excess of £15 million. A particular feature of many of his instructions is where there are complex claims for loss of earnings arising from injuries to professionals such as bankers, lawyers and accountants or senior directors of large companies and other high net worth individuals.

Professional Liability

Winston receives instructions in a wide range of cases involving the negligence of professionals. He has particularly expertise in cases involving claims alleging loss of a chance.

Many of his instructions relate to solicitors failure in pursuing litigation appropriately and in advising clients.
